I would like to welcome our community and visitors to the 2014 Panther Football season. We are very excited to be getting back on the field after a very successful 2013 season, including last year's undefeated Mid-Illini title and a run to the 5A Semifinals with a 12-1 record. Our coaches and our squads are looking forward to a great season and hope you will be a part of it on Friday nights. I would like to thank the WCHS Administration, the 12th Man, the Panther Football Alumni Association, and the WCHS Athletic Booster club for all of their help and support. In addition to these groups I would like to thank our coaches, their families, our players and their parents for all of your hard work, time, sacrifice and support.

Thanks to all of the volunteers that make all of our events so special. The ninth annual Panther 7 on 7 passing tournament and lineman challenge directed by Joe Bullard, was a great success and remains one of the top around the state. This was all due to the hard work of our parents and volunteers on that day. The Twenty sixth 12th Man Golf outing and dinner was as always a very fun and successful event even with the rain we endured that day. I would like to thank 12th Man outing director Jim Linsley, our guest former Chicago Bear and Hall of Famer Dan Hampton and all of our volunteers, golfers, and donors who made this day so special. I would also like to commend our players on the great job they did running a youth football clinic for our future Panthers prior to our scrimmage and social.

In closing, I would like to thank 12th Man president Ken Hopp for all of his dedication, hard work, and help. Thanks to Rich Burk and Todd Stevens for their work on the Panther Media Guide.

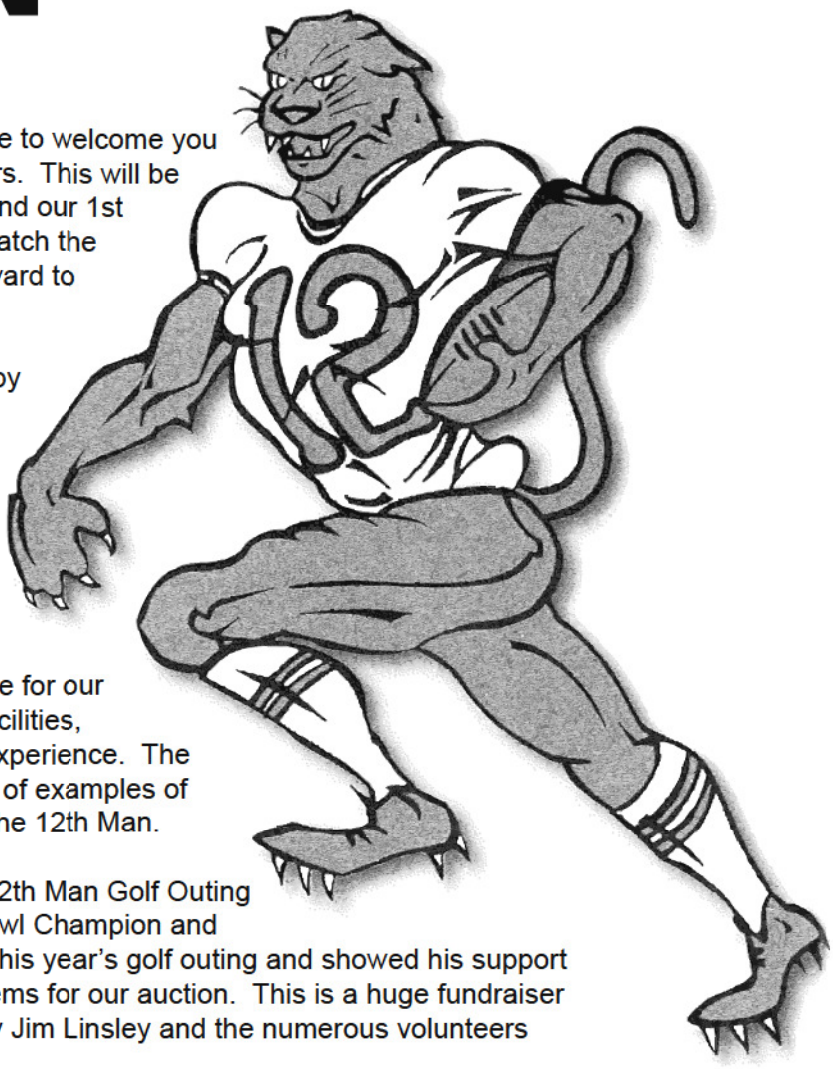
Please join us in making this another great Panther Football Season.

Sincerely,

Coach Crouch

12TH MAN

Hello Panther Fans!



On behalf of the 12th Man Organization, I would like to welcome you to Babcook Field, home of our Washington Panthers. This will be the 91st season for Washington Panther Football and our 1st season on the new Field Turf! We are excited to watch the Panthers play on the new field turf and looking forward to another successful football season!

The Washington 12th Man was organized in 1983 by Charlie Fuller and a small group of very dedicated individuals. Over the years the 12th Man has raised and invested thousands of dollars in our football program and players, as well as other sports and organizations here at Washington Community High School. I would like to thank all the volunteers and members who have generously supported our programs over the years. Their contribution of time and money has made it possible for our student athletes to have the best equipment and facilities, enabling them to have a positive and memorable experience. The PantherPlex and the weight room are just a couple of examples of projects that were made possible due to efforts of the 12th Man.

This summer marked the 26th year of the Annual 12th Man Golf Outing and Steak Dinner. Former Chicago Bear Super Bowl Champion and Hall of Fame Player Dan Hampton made a visit to this year's golf outing and showed his support for the football program by autographing several items for our auction. This is a huge fundraiser for the 12th Man and can only be made possible by Jim Linsley and the numerous volunteers that assisted him.

Along with our annual 12th Man Golf Outing, the 12th Man organizes one of the state's largest 7 on 7 Passing Tournament and Lineman's Challenge. For this year's tournament, over 30 teams competed and 200 players participated in the Lineman's Challenge. Many thanks to Joe Bullard who organized the 7 on 7 Tournament, Ellen Dingledine who ran the concession stand and to the many volunteers who made this event successful!

Our Washington community should be very proud. Many communities struggle to support their athletic programs, but due to the selfless volunteers and support we have here in Washington, we are able to accomplish great things to support our student athletes. Lastly, I would like to thank all of the 12th Man Members and local businesses that support our football program. For further information, please visit the 12th Man page on the Panther Football Alumni Association website (www.pantherfootballalumni.com).

GO PANTHERS!!!!!

Certified Athletic Trainer
Kyle Geirnaeirt

Kyle is in his eighth year as a certified athletic trainer for Washington Community High School. He is a 1992 graduate of Milledgeville High School where he participated in football, basketball, and track. He was inducted into the Northwest Illinois Sports Hall of Fame in 2005. He graduated from Illinois College with a Bachelors of Science degree in Biology where he was a 4-year letter football letter winner. He continued his education at Illinois State University graduating in 1999 with a Masters Degree in HPER-Athletic Training/Sports Medicine. During his graduate work, Kyle completed a full-season internship in the NFL with the Chicago Bears during the 1998 season. He continued his relationship with the Bears in 1999 and 2000, working team mini-camps and training camps. Kyle has been the Head Athletic Trainer for the Peoria Pirates arena football team for 9 seasons. He has been employed by Midwest Orthopaedic Center in Peoria for 12 years. Kyle resides in Washington where he enjoys spending time at home with his wife Jami, son Dane, and dog Banner.
